Join the Ranks!

Enjoy the varied activities of OSQ including organ concerts; seminars and workshops on organ playing, organ music, organ building, and other organ-related topics; and 'organ rambles' i.e. visits to organs in Brisbane, around the state, and interstate.

The OSQ conducts organ tutorials for organists in local churches, tailoring sessions to the interests and needs of the participants. An organ consultancy service is also offered to assist local churches in matters relating to organ repairs, rebuilds, and new instruments.

Members of OSQ receive a quarterly journal, *Organ Australia*, containing interesting articles on organ music and organs, and news of organ events in other states.

The *OSQ Newsletter* contains the details of Queensland events for the coming months. Members who are on line receive email notices of organ-related events within the OSQ and beyond.

Please forward the membership form below, attaching a cheque or sending an email regarding electronic transfer, to the OSQ Treasurer, Mrs Jenny Summerson, PO Box 6132, Fairfield Gardens, Q4103.
