## Vice President's Message

Certainly this year for the OSQ has been out of the ordinary. What we have done as a committee on your behalf did not radically change, but events have steered us in a ways that were not usual! As previously notified, our President was taken ill not long after our last AGM and asked me to become Acting President and, at Steven's request, I am still performing that role. As reported in March, Steven is making steady progress in his recovery, is back at the console at St. Andrew's, although as I write he is in the USA with his wife, Adele, enjoying the delights of Boston in summer. I hope he returns refreshed and invigorated. However, Steven has also indicated that he will step down as President at the coming AGM which means we have to elect a new President.

*In accordance with normal procedure outlined in our constitution, all committee members will stand down at the AGM and the election process to select the committee for the coming year undertaken. All positions are open to all members and the process by which you can nominate is explained on the last page of this newsletter. Please consider whether you would like to help out on the committee.*

Active participation makes for a more vibrant and relevant organisation. I have indicated my willingness to take on the presidency and accordingly will stand for that position at the AGM. The change of Presidency, no matter who is elected, will mark a change for the OSQ as Steven has been at the helm for such a long time. I appeal to you all to make a special effort to attend the AGM so that you can be involved and have your say in which way you want us to go. No matter who gets elected, it will be a good thing if there is a good representation of the membership present to vote for the way ahead.

*The AGM is the routine but necessary procedure and, although dealing with important matters, I hope can be dispensed with efficiently so that we can get on with the more enjoyable aspects arranged for you afterwards. Firstly we have a mini-recital to be given by the new Cathedral organist, Andrej Kouznetsov, and following that a 'Welcome to Brisbane Andrej' catered brunch for which there will be NO CHARGE. Please make a special effort to attend what should be a great morning and certainly great value. Please do not procrastinate with your RSVPs as we will need an indication of numbers as soon as possible for catering purposes.*

*See you there! Regards*

**Peter Robinson**

Vice President

OSQ

July 2014

## A Special Message for Members

The ANNUAL GENERAL MEETING

is on Sat 26 July 2014.

9.30 am at St Johns Cathedral Ann Street Brisbane.

This is a special event for three reasons:

1. We are having an exclusive recital from the St Johns Cathedral Organist Andrej Kouznetsov;
2. We will have a change in President this year; and
3. We will have a short reception to "meet the new Cathedral organist" Andrej Kouznetsov.

**Please RSVP to Denis Wayper 3263 9452 or [wayperd@bigpond.net.au](mailto:wayperd@bigpond.net.au) if you are planning to attend, for catering purposes.**

## Sponsor an Organ

### **No not at Uluru (Ayers Rock) but at Alice Springs.**

An organist we know at the Alice, has asked whether Brisbane churches would help raise funds for an organ at his Alice Springs church. If your church would be interested in getting behind this good cause, please phone our Vice President Peter Robinson on 0421741485.

As an alternative to satisfy this interest for an organ in Alice Springs, if you have a good used organ for sale, please advise.

## OSQ Member Profile

*Our next profile for 2014 is the Society's Secretary Denis Wayper who has been doing this role for some years.*

**Denis Wayper** fulfils regular organ duties at Aspley Uniting Church, Brisbane and has been playing church service organ music for over 30 years. He has played a number of major organs in Australia England and South Africa, including concerts in Brisbane City and suburban churches. On a recent trip to England he played the Organ at Westminster Abbey, and other Cathedrals, Churches and Schools in southern England. Other thrilling experiences are to have played the organs in the Sydney Opera House and the Melbourne Town Hall. He is a classically trained pianist to Grade 5 AMEB standard, and also enjoys playing Christian keyboard music styles popularised by Hillsong music.

## Special Topics

**T**he Classic Organ Academy program in 2014 is still going. This program is for any organist or piano student with an interest in learning the fundamentals of classic organ playing, and consists of a series of free workshops. The Academy is being lead by Ross Windsor. For more details contact Garry Smith 0411 183 871, or email [garrysmithvivace@gmail.com](mailto:garrysmithvivace@gmail.com) The program is held monthly on a Sunday afternoon 2.00pm – 4.30pm at Holy Trinity Anglican Church Hawthorne St, Woolloongabba Brisbane.

**S**ome of us experienced a most amazing concert in May featuring the one and only Tony Fenelon, playing the Roland Classic Organ and Oliver Brett playing the Rodgers digital pipe organ. You will recall Oliver is the Assistant Organist at St Mary's Cathedral in Sydney, and was also the Society's Guest Speaker at our 60<sup>th</sup> Anniversary Lunch in 2012. Between them they played up a storm on these fascinating technologically advanced instruments. And as a bonus Oliver played a Mozart Piano Concerto using a new Roland grand piano, accompanied by Tony on the Roland Classic Organ.

**A**dvance notice: The Organ Historical Trust of Australia (OHTA) is organising its Annual Conference in Brisbane this year – 22 to 27 of September. This is always a stellar event, and will tour a good number of Brisbane and Regional organs, as well as socialising with a wide range of Australia's most interesting organ personalities. Consult the OHTA website [www.ohta.org.au](http://www.ohta.org.au)

## ORGAN SCHOLARSHIP

OSQ offers an **Organ Scholarship** scheme for young organists. See the website for details, or phone the Secretary for a paper copy.

### *Encourage another organ music lover to join the Society*

#### Benefits of membership:

- *Organ Australia* journal quarterly
- Organ Rambles to magnificent instruments
- Advance notice of organ concerts

Ask for an enrolment form from the Treasurer, PO Box 6132, FAIRFIELD GARDENS 4103 or print out from [www.organsociety.com.au](http://www.organsociety.com.au)
